Topic Information sheet

FY 2023 Road Brushing

Ben Dreier has posted his presentation for viewing [on the PFC Forum](#). Since there will be no presentation during the meeting, members are asked to review it beforehand and come prepared with questions or them on the presentation's Forum discussion thread.

Granite Goose draft proposed action

Following presentation of the draft proposed action, the Coalition will offer Forest Service input on the extent to which it is consistent with the PFC's recommendations.

Payette National Forest Resilience and Fuels Reduction Prescribed Fire Project proposed action

The PFC will try to reach consensus on what comments to submit about the project's proposed action. Please review the [draft comment letter](#) posted to the Draft Documents space on the Forum before the meeting. Although the Coalition did not submit recommendations for this project, comments could be considered from this perspective: Is the proposed action consistent with PFC's restoration goals?

You can review the proposed action at <https://www.fs.usda.gov/project/?project=63166>. Note: If you click on the "Scoping" folder and nothing happens, try right clicking on the folder, opening it in a new tab, and then click on the folder to view and open its contents. Alternatively, you can click the "Download" button, download the entire zip file to your computer, and then open it.
